# Giving to SPCC

## Annual Support Programme

- ✚ The 1915 Society
- ✚ The 110th Society
- ✚ The Red Bricks Society

The Council of St. Paul's Co-educational College Charitable Trust was established in January 1999. Its objective is to accept donations and provide financial support to St. Paul's Co-educational College and its Primary School. The Trust is set up as a charitable institution which is exempted from tax under Section 88 of the Inland Revenue Ordinance.

Landmark Fundraising Campaign 2002-2007

The Trust achieved a significant milestone with the conclusion of the five-year Landmark Fundraising Campaign in 2007. This campaign was a remarkable success, raising HK\$320 million. The funds raised were allocated to two major projects: the construction of the Primary School campus in Wong Chuk Hang and the redevelopment of the Secondary School campus on MacDonnell Road.

In 2013, SPCC initiated the Centenary Fundraising Campaign to commemorate its 100th anniversary. The campaign concluded in August 2016, raising HK\$212.8 million. Its aim was to establish endowment funds in the four major areas: Music, Sports, Arts and Culture, Leadership and Experiential Learning. These funds would generate recurrent income to support SPCC's educational goals: to offer our **best students** the **best education** with the **best teaching force**.

## Annual Walkathon

SPCC Charitable Trust has been a steadfast supporter for SPCC since its inception, providing annual grants to facilitate a wide array of enrichment and training programmes, as well as educational initiatives. These initiatives include e-Learning and e-Library projects, financial aid through bursaries and scholarships, enrichment programmes such as Rites of Passage and Outward Bound, international conferences, overseas study trips, social work, educational psychologist service and staff development programmes.

## Giving to SPCC: Annual Support Programme

The year 2025 commemorates the 110th Anniversary of SPCC and over 25 years since the establishment of the Trust. As the Trust embarks on a new chapter, we believe this is an opportune moment to introduce an annual support programme aimed at cultivating a culture of giving back to SPCC and promoting widespread engagement in our fundraising efforts. Following a year of thorough preparation and consultation with our stakeholders, we are pleased to announce the launch of Giving to SPCC: Annual Support Programme in 2025 with membership opens to all SPCC stakeholders.

## Recognition

All donors will receive two special commemorative SPCC notebook and pen sets. Supporters who commit to donating for one year will have their names acknowledged under the three categories in the SPCC Fundraising Annual Report. Our cornerstone donors as well as those who pledge their support to The 1915 Society for three years or more will receive special recognition, with their names honorably displayed on a donors' wall in the SPCC Campus, as well as invitation to events curated for SPCC's 110th and 111th anniversaries.
