ST. PAUL'S CO-EDUCATIONAL COLLEGE

I. School Vision

In the spirit of "Faith, Hope and Love", to nurture our students as future leaders by instilling in them a culture of excellence, high moral values, an altruistic spirit, a passion for lifelong learning and a global perspective.

School Mission

- 1. Uphold the founding Christian spirit of our schools: "Faith, Hope and Love"
- 2. Nurture academic excellence and lifelong learning
- 3. Cultivate exemplary conduct, proper attitudes and correct values
- 4. Develop an appreciation for the arts and competence in other activities
- 5. Develop a global perspective, foster environment stewardship and serve humanity
- 6. Advocate strong communication and interpersonal skills to promote harmony, mutual respect, appreciation and peace among humankind
- 7. Adopt a shared and inclusive governance model
- 8. Provide the best possible facilities and environment conducive to studies
- 9. Maintain a professional and caring academic and administrative staff
- 10. Transform our schools into a vibrant community of scholarship and learning

II. Annual School Plan 2019/20

Major Concerns

- 1. To develop the Chong Yau Pak Wan Residence Hall as a long term boarding facility for local and international admissions, and international-mindedness in our students
- 2. To promote a caring and supportive school climate to help students develop a positive outlook on life and mutual respect and concern for each other
- 3. To enhance self-directed learning

1. Major Concern: To develop the Chong Yau Pak Wan Residence Hall as a long term boarding facility for local and international admissions, and international-mindedness in our students

	Targets	Strategies	Success Criteria	Methods of Evaluation	Time Scale	People in Charge	Resources Required
1.	On Chong Yau Pak Wan Residence Hall						
	To take in local and international students from Form 4 to Form 6 as long term boarders	Open recruitment of local and international Form 4 to Form 6 students currently studying in our school (Expanding the offer to Form 2 and Form 3 in later years)	• Evidence of the number of students applying for long-term boarding	Annual boarders and parents' evaluation of dormitory stay	Throughout the year and to be absorbed into routine practice starting next year	Dormitory Management Committee	Dormitory facilities
	To enable students to experience living in a community and develop a sense of independence and self-management	 Development of a conducive environment with a rich dormitory life for all boarders Collaboration among Dormitory Officer and Wardens to provide care to all boarders Variety of activities for an enriching dormitory experience 	Evidence of variety of activities organized and boarders' participation	Boarders' participation and review of activities organised	• Throughout the year and to be absorbed into routine practice starting next year	Dormitory Officer and Wardens	Dormitory monthly schedule
	To allow short-term boarding for Form 6 students to prepare for the Mock examinations and the HKDSE/IBDP examinations	Provide boarding and a conducive environment for Form 6 students to prepare for their Mock and DSE/IBDP examinations including during their study leave	• Evidence of the number of F6 students applying for dormitory stay during mock examinations and study leave	Students' survey at the end of dormitory stay	• In Term 2 and to be absorbed into routine practice starting next year	Dormitory Officer and Wardens	Dormitory facilities

Targets	Strategies	Success Criteria	Methods of Evaluation	Time Scale	People in Charge	Resources Required
 To provide a boarding school experience for our Form 1 students to learn to live in a community and develop the SPCC attributes of community-minded ness and caring for others To develop a sense of belonging to the school and camaraderie among their classmates who would be with them in the same form class for three years 	 Mandatory boarding for all Form 1 students as a form class for a period of two weeks from 2020 Development of students' self-discipline, respect for others and self-care through communal living Allow students from our primary school and those from other primary schools who have just joined us to develop their relationship and learn to accept one another as a class and as members of the SPCC community by living together 	Evidence of F1 students' class dynamics, interaction with classmates and good interpersonal relationships	• Evaluation / report by F1 Form Teachers and Assistant Form Teachers	• In Term 1 of 2020/2021	• F1 Form Teachers/ Assistant Form Teachers (2020/2021), Dormitory Officer and Wardens	 Dormitory facitilies 2020/2021 school calendar
To provide accommodation for international exchange students so as to enrich our students' sense of international-minde dness and cultural awareness	Provision of accommodation to international students on exchange to SPCC (for Round Square schools, Sister schools, IBDP schools)	Number of students/ schools staying in our dormitory for exchange programmes and their interaction with our boarders	Evaluation/ reports by TICs of Exchange Programmes and Dormitory Officer	• Throughout the year and to be absorbed into routine practice starting next year	• TICs of Exchange Programmes, Round Square, Sisters Schools, and IBDP Schools	Dormitory facilities

Targets	Strategies	Success Criteria	Methods of Evaluation	Time Scale	People in Charge	Resources Required
Increase the intake of international students into our IBDP to enhance our students' sense of international-minde dness and provision of accommodation in the residence hall	 Placement of advertisements for IBDP admission in newspapers and school's webpage Offering international students the opportunity to take another language instead of Chinese through Permoja (authorized by IBO) 	Number of overseas applications for our IBDP which includes staying in the dormitory	Number of overseas students admitted into our IBDP and dormitory	• Throughout the year and to be absorbed into routine practice starting next year	TICs of IBDP admissions and Dormitory Officer	 IBDP advertisements Dormitory facilities Vacancy for IBDP and dormitory stay for international students
To increase the number of sister schools from different countries through exchanges with students from IBDP, HKDSE classes, and Round Square to enhance our students international-mindedness and awareness as a global citizen	 Identifying schools in different countries for exchange of faculty members and students Promotion of exchange programmes at assembly and Round Square Committee notice board CRO to act as liaison office for these exchanges Allowing our students to go on exchange during school term for no longer than two weeks 	Forming new sister schools exchangesin other parts of the world offering the IBDP and/or other curricula and forming relationships with other Round Square Schools	The number of new sister schools/ exchange programmes established for students	• Throughout the year and to be absorbed into routine practice starting next year	CRO TICS of IBDP and Round Square	 Members of Round Square Schools IBO Dormitory facilities

Targets	Strategies	Success Criteria	Methods of Evaluation	Time Scale	People in Charge	Resources Required
To increase our students' awareness of international days observed globally To enhance students' knowledge of the sustainable goals of the UN and other global concerns	 Round Square committee members, Liberal Studies and Model United Nations club members to organize talks at assembly/lunchtime/a fter school and activities like video screening at lunchtime To organize talks by international speakers or invite speakers to speak on global issues during Enrichment Programme Days Student leaders could organize TEDex sessions with other schools on a given global topic United Nations Council videos to be played on Smart TV in library, school entrance and in classroom (through campus TV) to increase students knowledge and awareness of the sustainable goals of the UN 	Students' increased awareness of special commemorative days established by the United Nations	 The number of talks organized on international issues Students' awareness of international issues and participation in international competitions and events 	Throughout the year and to be absorbed into routine practice starting next year Throughout the year and to be absorbed into routine practice starting next year	 Round Square Student Committee Liberal Studies Society 	 UN websites Assembly powerpoints Assembly/EPD programmes

Targets	Strategies	Success Criteria	Methods of	Time Scale	People in	Resources Required
			Evaluation		Charge	
To organize and participate in international conferences, competitions and workshops for faculty members and students (Round Square Conferences, IB Conferences, ISEEN workshops for staff, Positive Education Conferences, etc.)	Encouraging staff and students to participate in overseas conferences, workshops and competitions	Evidence of the number of staff and students' participation in international conferences, competitions, workshops and exchange programmes	Number of participant at international events	• Throughout the year and to be absorbed into routine practice starting next year	All staff and students	IBO, circulars from various organisations
Promote and enhance the international-minde dness of staff /students through visits and exchanges with other IB coordinators in the Pearl River Delta Region	• Arranging visits and exchanges for staff and students to IB schools (for staff) (for students e.g. 2 – 3 day exchange/attachment to other IB schools)	Evidences of the number of exchanges among staff and students with other IB schools in the region	Number of exchanges held and meetings attended	Throughout the year and to be absorbed into routine practice starting next year	IB Co-rdinators and students	IB Schools in the Pearl River Delta Region

Targets	Strategies	Success Criteria	Methods of Evaluation	Time Scale	People in Charge	Resources Required
	Student leaders could organize TEDex sessions with other schools on a given global topic United Nations Council videos to be played on Smart TV in library, school entrance and in classroom (through campus TV) to increase students knowledge and awareness of the sustainable goals of the UN					

2. Major Concern: To promote a caring and supportive school climate to help students develop a positive outlook on life and mutual respect and concern for each other

	Targets	Strategies	Success Criteria	Methods of Evaluation	Time Scale	People in Charge	Resources Required
1.	To bolster pastoral support for students through • strengthening bonding between teachers and students • enhancing partnership between teachers and parents • enhancing teachers' capacity in providing pastoral care especially in their role as form teachers	 Arrange SDDs to increase teachers' sensitivity and strengthen their skills in providing pastoral care and addressing learner diversity Teachers to equip themselves by attending courses on relevant areas such as learner diversity and communication with parents Enhance the role of form committees in providing opportunities for colleagues to share about good practices in pastoral support as well as specific themes such as building relationship and trust with students and parents 	 Evidence of improvement in teachers' understanding and skills in related areas Teachers are better able to identify and support students' developmental needs Evidence of growing trust and understanding between teachers and students / parents 	 Evaluation of SDD Evaluation / report by Moral Ed Team and Careers Counselling Team Feedback from teachers 	Current year extending into near future until future evaluation reveals they can be absorbed into routine practice	 SPPW (Staff Professional and Personal Wellness Core Group) Moral Ed Team Careers Counselling Team Discipline Team Mentors of new teachers 	 SDD Relevant courses and workshops offered by EDB/external organizations Relevant reference materials Form Committee meetings Interface meetings with primary school

Targets	Strategies	Success Criteria	Methods of Evaluation	Time Scale	People in Charge	Resources Required
Targets	• Strengthen the pastoral role of form teachers by encouraging and supporting them in providing advice and guidance for students in their personal, moral and social development • Strengthen the role of teacher mentors to help new teachers understand expectations and build competence & confidence in their pastoral role • Strengthen the coordination between Moral Ed Team (Moral cum Civic Education & Pastoral Care Team) and Careers Counselling Team to ensure	• A more comprehensive understanding (among Moral Ed Team and Careers Counselling Team) and effective implementation of the school's Career and Life Planning Programme		Time Scale	-	
	students are provided timely advice and support in the different stages of their career & life planning					

	Targets	Strategies	Success Criteria	Methods of Evaluation	Time Scale	People in Charge	Resources Required
		Continue to interface with our primary school to better understand and support students' developmental needs					
2.	To ensure students with different abilities and needs have equitable access to learning opportunities and the pursuit of excellence in all aspects of their educational programmes	 Develop the culture of "process praise" among staff, students and parents Teachers to create more opportunities, both inside and outside classrooms, for students of different abilities to learn and serve and be recognized for their achievements and contributions Review the SEN policy to enhance the support to diverse learning needs Purchase educational psychology service 	 Evidence of growing confidence and competence to deliver "process praise" Evidence of increased learning opportunities for students of different needs and abilities 	 Evaluation / report by subject departments Annual reports of individual clubs / student bodies Evaluation by Moral Ed Team Feedback from teachers 	• Current year extending into near future until future evaluation reveals they can be absorbed into routine practice	 HODs (Heads of Departments) Coordinator of ECAs (extracurricular activities) Moral Ed Team 	 Departmental meetings Meetings with teacher advisers of ECAs School funding / EDB grants

Targets	Strategies	Success Criteria	Methods of Evaluation	Time Scale	People in Charge	Resources Required
3. To enhance students' character building through • emphasis on whole-school approach in guidance and discipline • more communication and collaboration with parents • a deeper understanding of the SPCC Student Profile and its relation with other models implemented at SPCC including the IB Learner Profile and the Round Square Ideals	 Raise teachers' awareness on their role on guidance and discipline under the whole school approach policy More communication between teachers and parents on students' developmental needs Encourage positive communication with parents Positive reinforcement of good behavior Yearly themes on moral education Increased visible presence of SPCC Student Profile in the school A graphic alignment of SPCC Student Profile, IB Learner Profile and Round Square Ideals for a better understanding of how they are connected 	 Evidence of growing readiness and confidence among teachers to take on a proactive role in guidance and discipline Evidence of effective communication with parents on students' developmental needs Successful implementation of relevant themes on moral education Teachers / students are able to make connections among SPCC Student Profile, IB Learner Profile and Round Square Ideals in setting learning targets and personal goals 	 Evaluation by Moral Ed Team Evaluation by Discipline Team Feedback from teachers Feedback from parents 	Current year extending into near future until future evaluation reveals they can be absorbed into routine practice	 Moral Ed Team Discipline Team Round Square Teacher Committee IB Committee 	 Form Committee meetings Parents' Day / Briefing Events held by Parent-Teacher Association Display venue

3. Major Concern: To enhance self-directed learning

	Targets	Strategies	Success Criteria	Methods of Evaluation	Time Scale	People in Charge	Resources Required
1.	• To develop students' self-directed learning skills starting from junior forms	Departments may prepare descriptors so students could set a subject related goal and a personalized character-building goal.	Evidence of feasible goal setting form and positive feedback from students	• Feedback from teachers	• Current year	• HODs	
	• To promote students' self-reflection	A learning contract may be considered as a tool to assist students in planning for their learning goals and learning actions	Positive feedback from teachers and students	Feedback from teachers	• Throughout the year and to be absorbed into routine practice starting next year	• HODs	Departmental meetings
	• To further enhance students' motivation in learning	Design tasks to enable students to self-evaluate whether they have achieved their goals and think about strategies to achieve more	Students show positive attitude in their work, consolidation and reflection	• Feedback from teachers			
		Students are encouraged to actively engage in learning activities initiated by themselves during lesson	Evidence of good use of lesson time for learning and embracing challenges	Feedback from students			

Targets	Strategies	Success Criteria	Methods of Evaluation	Time Scale	People in Charge	Resources Required
	Adopt a variety of teaching strategies such as e-learning, experiential learning, peer tutoring etc. to promote self-directed learning in the classroom	Evidence of more peer collaboration during lessons and a wider use of different teaching strategies	Records of peer observations including reflections and sharing among teachers before and after lesson observation	• Throughout the year and to be absorbed into routine practice starting next year	 HODs (Heads of departments) IT Team SPPW (Staff Professional and Personal Wellness 	 Relevant external courses and workshops
lesson activities which address students' diverse	which address students' diverse learning needs and motivate them to	Evidence of a wider use of different questioning techniques to suit students' learning needs	Lesson observations conducted for teacher appraisals	•		
	• Explore the possibilities of a wider use of experiential learning in the classroom across all year levels, building on the experience of the Form 4 post-RoP Programme	Formulation of action plan and successful implementation across different year levels as practicable	Evaluation / report by subject departments			

Targets	Strategies	Success Criteria	Methods of Evaluation	Time Scale	People in Charge	Resources Required
	To enhance the relevance of their learning to daily and cross-disciplinary applications	Evidence of application and cross-disciplinar y activities in lesson design	Evaluation / report by subject departments			
	Students should learn to merge their learning in and out of classroom:					
	 To encourage more students to join service learning programmes 	Increase in number of students joining service learning programmes	Feedback or evaluation from both students and teachers			
	 To keep students informed of opportunities provided by external organizations 	Students know the latest information of various activities provided by external organizations	Students' responses in joining suitable activities			
To provide support for parents and teachers regarding self-directed learning	To keep parents and teachers well-informed of seminars / workshops / talks on self-directed learning	Parents and teachers know the latest trends and development on self-directed learning	Feedback or evaluation from both parents and teachers			
		All resources are uploaded to school network driver for sharing	Sharing of self-directed learning materials among colleagues becomes a usual practice
