Message from the Principal

Ladies and Gentlemen,

St. Paul's Co-educational College, which is founded by Sheng Kung Hui over a century ago, has been nurturing students according to Christian faith and whole person development of the individual. We warmly welcome students based on their merit and potential regardless of their family or social backgrounds.

Our College has always undertaken the task to perpetuate the tradition of excellence in scholarship and intellectual development without compromising the aesthetic, physical, or musical talents in our students. We take pride in our all-round education that caters to the multiple interests and talents in our College. More importantly, we strive to instill in our students positive values and attitudes which develop in them a sense of responsibility to the community and society.

Learning at St. Paul's is not only confined to the classroom. The school dormitory has provided our students with a rare living-learning environment to develop their independence, self-discipline, and intercultural understanding as they live together as a community among local and international students. Blessed with ample opportunities to participate in overseas trips, exchange programmes, as well as competitions and conferences abroad, our students are well exposed to diverse cultures and are able to develop global perspectives to become truly internationally minded.

A school is more than just a place to learn. A truly great school offers a caring, stimulating environment where students are nurtured, challenged and educated, and given every opportunity to reach their full potential. I believe that St. Paul's unwavering belief in your child's potential will allow them to grow personally, socially and academically.

Message from the Headmistress

Ladies and Gentlemen,

St. Paul's Co-educational College Primary School is the affiliated primary school of St. Paul's Co-educational College. Founded by Sheng Kung Hui (Anglican Church) and rooted deeply in the Christian virtues of Faith, Hope and Love, the Primary School offers all-round education with a strong emphasis on moral and holistic development for the students. Operating under the Direct Subsidy Scheme through-train education model since 2002, the College and the Primary School have closely collaborated with respect to Christian values, moral education, curriculum, activities and teachers' professional development with the aim of providing a continuous and seamless learning journey for our students. The College and the Primary School share the common goal of nurturing our students to be future leaders with attributes instilled in their minds after twelve years of quality education.

In response to the key areas of development, the Primary School establishes a theme every year, aiming to provide diversified learning activities and experiences for the students to strengthen the nine attributes. All these attributes serve to enhance the balanced development of our students morally, academically, physically, socially, aesthetically and spiritually to build a solid foundation for their College years ahead.

As a Christian school, we strongly emphasise spiritual development, life education and pastoral care in order to nurture our students with positive attitudes and values. In the aspect of learning and teaching, the Primary School develops its diversified teaching mode to reinforce the students' attributes and unleash their potentials, and continuously provides students with rich learning experiences in the hope of widening their horizons and developing their global vision.

With the belief that each child has boundless potential, we value the development of each student, strive to help them discover their strengths and stretch their limits. We do wish that our parents can work hand in hand with us to nurture their children to become learners with the attributes.

History and Development

學校歷史及發展

St. Paul's Co-educational College (SPCC) is respected for its academic and musical excellence while upholding the Christian spirit and principles. The school is dedicated to preserving the basic elements of traditional Chinese education while incorporating modern educational theories, concepts and values. SPCC is recognised for the valuable contributions its graduates, being leaders in their respective professions, have made to Hong Kong.

Founded by the Sheng Kung Hui in 1915, the school was originally a girls' school. It started to accept both boys and girls – the first in Hong Kong – when it was merged with a boys' school in 1945.

SPCC is one of the first schools to convert from an aided school to a Direct Subsidy Scheme school, and has adopted a 'through-train' mode with its primary school since 2002. The school remains committed to

a need-blind admission policy and offers quota-free fee remission and financial aid to students with financial needs to ensure that it will not turn into a school only for those who can afford to pay the tuition.

In 2008, the primary school moved from Central to a new, state-of-the-art campus in Wong Chuk Hang, making way for the construction of an extension block for the secondary school on MacDonnell Road.

The extension block, Li Chong Yuet Ming Building, opened in 2011 and provides a residence hall, a lecture theatre, an indoor games hall, science laboratories, classrooms and other special rooms to advance our facilities to meet future curriculum requirements. The existing red-brick campus has been re-configured with modernisation of the library, upgrading of sports facilities and expansion of music facilities for a better, holistic education.

聖保羅男女中學秉承基督教的精神及原則辦學，以學術及音樂上的卓越成就見稱。學校致力保存傳統中國教育的優良元素，同時結合現代教育理論、概念及價值觀。歷屆畢業生於社會各專業領域人才輩出，領導同儕，為香港發展作出貢獻。

本校由聖公會於1915年創立，起初為一所女校。於1945年與另一所男校合併，成為香港首間兼收男女生的學校。

2002年，聖保羅成為首批由津貼學校轉為「直接資助計劃」之學校，並與其附屬小學採用升中「一條龍」的模式運作。聖保羅一直堅守「唯才是教」的收生政策，並為有經濟需要的學生提供適切完善的財政資助及學費減免計劃，支援措施均不設名額上限，確保具潛質的學生不會因家庭背景或經濟因素而影響就學。

小學於2008年搬離中區，遷至黃竹坑的嶄新校園，騰出麥當勞道原校舍用地，興建中學新翼。

中學新翼「李莊月明樓」於2011年落成啟用，提供宿舍、演講廳、體育館、實驗室、課室以及其他特別室，使中學設施更趨完善，以配合未來課程的要求。原有的紅磚校舍亦進行改善工程，強化全方位學習，包括翻新圖書館和體育設施及擴充音樂設施等。

Christian Education and Pastoral Care

基督教教育及牧養

We are a school under the Hong Kong Sheng Kung Hui (HKSKH) and students are given care and guidance in accordance with the Christian faith and its emphasis on the value of the individual.

Moral and Christian education in the primary school is introduced through lessons, talks, morning prayers, weekly assemblies, and a range of programmes. For example, Gospel Station, extra-curricular activities (Little Christian Soldiers and Superkids), and “Gospel Night” for the whole family which is held before the end of June yearly. To encourage our students to be “doers”, we put a lot of effort on designing assignments and activities for students to put moral and Christian values into practice, enhancing them to be equipped with inner qualities.

The primary school works closely with St. Paul’s Church, including participating in Education Sunday Worship, choir singing in Thanksgiving Worship, organising the “Summer Parent-Child Fun Fun” activity, and inviting the pastors of St. Paul’s Church to host Christmas and Easter sacrament worship services. Parents and students have many opportunities to get in touch with the Christian faith and our pastoral church.

In addition to daily morning assemblies and Religious Studies lessons, Christian education in the secondary school is enhanced through a series of programmes by the Christian Fellowship. For example, TueStation, a weekly Bible study meeting over lunch, is organised to provide junior form students with spiritual teaching and sharing. Christian teachers and pastors provide students with spiritual care and guidance. Pastors from St. John’s Cathedral and St. Paul’s Church pay regular visits to both campuses to share the gospel and provide

students with spiritual care and guidance.

The discipline panel, counselling group, careers staff, school social workers and educational psychologist work closely to offer students counselling services and organise related activities for them. The religious and moral education team in the primary school also provides training and support for the teachers in fulfilling their pastoral role. The school social workers introduce games for students to enhance self-understanding and develop interpersonal skills.

Civic and moral education programmes are held regularly at school to inculcate in each student a sense of self-worth, social responsibility and cultural and civic awareness. Several year-round incentive schemes in the primary school are designed to give students recognition for good conduct, moral values and social behaviour.

There are prayer groups for parents of both the primary and secondary schools. The primary school also offers courses and activities to support parents in looking after the developmental needs of their children at different stages, and to foster a close partnership with parents.

Every year, teachers of the primary and secondary schools gather for a joint retreat at St. Paul’s Church. Teachers also participate in the HKSKH Church, School & Social Service Development Day, Education Sunday and Provincial Education Day Evensong.

本校為香港聖公會屬下學校，本著基督教以人為本、重視個人價值的精神，關懷每一位學生。

在德育及靈性培育方面，小學主要透過宗教課、成長課、週會、早會、早禱及各項培育計劃推展。其他宗教活動還有全校福音站、課外活動「基督小精兵」及Superkids，以及每年六月下旬舉行的「親子福音晚會」。為鼓勵同學於生中活實踐所學，老師們很用心設計體驗式課業和活動，以期深化生命素質。

小學亦與聖保羅堂有緊密的堂校合作，包括參加教育主日崇拜、在感恩節崇拜中獻唱、舉辦「夏日親子樂續FUN」活動及邀請聖保羅堂牧者到校主持聖誕節及復活節聖餐崇拜，增加同學及家長接觸基督教信仰及牧區教會的機會。

中學除了早會及宗教科外，亦會藉基督徒團契所舉辦的活動，提倡基督教教導、互相分享，其中包括為初中學生而設、每週一次的午餐及讀經聚會「TueStation」。本校亦邀請聖約翰座堂和聖保羅堂的牧師定期蒞臨校園講道，使學生在靈性上得到牧養。

校內的紀律小組、輔導小組、升學輔導組、駐校社工與教育心理學家亦會攜手合作，為學生提供輔導及相關服務。小學的品德教育及宗教組也積極籌辦各樣活動，支援老師進行輔導牧養的工作。此外，駐校社工會透過各類遊戲，讓學生更認識自己和學習與人相處。

為提高學生的自我形象、對社會的責任感和文化及公民意識，校內定期舉辦公民教育和德育活動。小學特設「活出彩虹獎勵計劃」及「綠色身、心、靈健康校園計劃」等，旨在鼓勵學生培養良好品德、操守和價值觀。

中小學均設家長祈禱會，小學更舉辦適合孩童不同發展階段的家長課程及各樣親子福音活動，支援家長及增強家校合作。

本校每年於聖保羅堂進行中小學聯校教師退修日，教師亦參與香港聖公會、教省教育主日、聯校教師發展日等等。

DSS and Through-train Education

直接資助計劃及升中一條龍

SPCC is one of the first schools to convert from an aided school to a Direct Subsidy Scheme (DSS) school. It has enabled the school to further its reputation as a leading school in Hong Kong, which has a high teacher-student ratio, a diverse range of multidisciplinary curricula on physical and intellectual development, and local and overseas educational programmes.

To ensure adequate support for students with financial needs on their school life and learning opportunities at SPCC, the school has committed to offering ample financial aid in addition to the remission of tuition fees. These include subsidies for overseas exchange and extra-curricular activities and a bursary to cover their expenses on schooling necessities such as textbooks, school meals and uniform.

SPCC has adopted a 'through-train' mode with its primary school since 2002. Students of the primary school with satisfactory academic results and conduct are automatically enrolled in our secondary school without the need to sit any selection examination. Through our academic curriculum, student enrichment programmes, moral education, and pastoral care, a 12-year seamless education from Primary 1 to Form 6 for our students will be ensured.

聖保羅是首批由津貼學校轉為直接資助計劃（直資）之學校，透過更佳的資源調配，提高師生比例，提升教學質素。我們致力推行多元教育，提供不同的課程，以及本地及海外的教育項目，促進學生全面的發展與成長。

聖保羅承諾為有經濟需要的學生提供全方位的支援措施，包括不設名額上限的學費減免計劃及適切完善的財政資助，確保他們的校園生活及學習機會同樣多姿多彩。全方位的支援措施包括海外交流和課外活動津貼，以及涵蓋基本學習開支，如教科書、校內午膳及校服等的助學金。

自2002年起，聖保羅男女中學及其附屬小學採用「一條龍」直升中學的模式運作。小六學生無需參加任何甄選考試，只要學業及品德達到一定的水平，便可升讀本校中學。從學術課程到增潤課程，由德育以至牧養，本校為學生提供小一至中六共十二年的持續優質教育。

Student Profile

學生素質

SPCC puts utmost emphasis on the importance of character development and strives to instill in our students positive values and attitudes. Perpetuating the tradition and vision of SPCC, the secondary and primary schools have launched the Student Profile successively, in which nine attributes are highlighted with respect to the needs of the students as guidelines for character building. Our students are envisaged to be exemplary in both scholarship and character after receiving twelve years of education at SPCC. The cultivation of these attributes is closely embedded in our regular teaching and learning as well as extra-curricular activities inside and outside the school. In recent years, the primary school has also adapted these attributes for teachers and parents.

本校非常重視學生品格及全人發展，並致力培育學生正確的價值觀。傳承學校的文化及理念，本校針對中小學生需要的不同特質，先後推出了一脈相承的九大「學生素質」，作為品格培育的目標，希望同學在接受聖保羅十二年的教育後，成為德才兼備、品學兼優的菁英。這些素質已融入課程及校內外豐富的學習體驗中。小學更於近年將聖保羅素質延展至教師和家長層面。

聖保羅的教育向以追求卓越、全面及富教育遠見著稱。本校師資優良，推行的校本課程涵蓋小學及中學階段，以學生為本，著重啟發潛能，使其均衡發展。

Staff

The school maintains a very high teacher-student ratio and many of our teachers possess a master's degree. A considerable number of our English and Putonghua teaching staff are university graduates from overseas and mainland China respectively. Ample opportunities are provided to teachers for their continuing professional development. Moreover, professionals are hired to teach specialised subjects such as drama, public speaking, theatre exploration, and creative and modern dance.

Medium of Instruction

Cantonese is used as the medium of instruction in our primary school. Putonghua is introduced in Primary 3 as a medium of instruction for Chinese, and becomes the main medium of instruction for Chinese in Primary 5. At the same time, the Primary School also stresses English proficiency. Except for cultural subjects, English is used as the medium of instruction in our Primary 6 to prepare students for a smooth transition to secondary school.

English is the medium of instruction (Putonghua for Chinese language in Forms 1 to 3) in the secondary school. We aim for our students to be proficient in two written languages (Chinese and English) and three spoken languages (Cantonese, Putonghua and English) by the time they are in Form 3.

師資

本校維持非常高的師生比例，教師當中很多持有碩士學位，不少英語和普通話教學人員分別為海外及中國內地的大學畢業生，我們更會為教師提供專業持續發展機會。此外，學校亦聘專業導師教授特別科目，如戲劇、公開演說、創意及現代舞蹈等。

教學語言

小學以粵語授課；小三開始，中文科逐步會以普通話授課，至小五，中文科將全部以普通話作教學語言。同時，學校亦注重英語培訓。小六除術科外，其他科目以英語授課，以順利銜接中學。

中學以英語為教學語言（中一至三中文科以普通話授課）。我們希望學生中三時已具備良好的兩文（中文及英文）三語（粵語、普通話及英語）能力。

Class Structure

Primary School

There are 5 classes in each grade and about 30 students in each class. Key subjects (Chinese, English and Mathematics) for upper Primary classes are taught in small groups with around 12 students each.

Secondary School

For Forms 1 to 3, there are 7 classes in each grade and about 34 students in each class. Students are organised into smaller sets, about 22 students in each set, for English, Chinese, Liberal Studies and Mathematics lessons.

Smaller classes and smaller subject groups are introduced for Forms 4 to 6. There are 9 classes in each grade and about 22 to 24 students in each class. Subject group sizes range from 5 to 26 students.

- (3) emphasising moral education and students' physical, emotional and spiritual well-being
- (4) cultivating multiple intelligences and strengthening gifted programmes
- (5) promoting environmental practices

The balanced curriculum in the primary school enables students to develop cognitive skills and lifelong learning. The subjects offered at all levels are Chinese, Putonghua, English, Mathematics, General Studies, Visual Arts, Music, Physical Education, Religious Education and Information Technology, which are incorporated with elements of STEM (Science, Technology, Engineering and Mathematics) Education. To better prepare students for the secondary school, English Drama and Sciences are introduced in Primary 6; the scope of Humanities is also expanded under General Studies. Incorporating self-directed learning and STEM elements, school-based MASTER programmes, enquiry-based learning, and science activities are introduced as we aim to enhance students' generic abilities to become strong communicators and problem-solvers who think independently and innovatively.

The school is dedicated to creating a conducive environment to learn and use Putonghua and English. Oral English and Putonghua are taught by native speakers. Students are encouraged to demonstrate their language abilities by participating in various forms of performance, such as recitations, story-telling, drama, and singing. To lay a solid foundation in English learning, pre-primary bridging courses are provided for enrolled students.

To better cater for the different learning needs, small-group teaching will be adopted in Chinese, English and Mathematics classes at senior grades.

We attach much importance to moral education and students' physical, emotional and spiritual well-being. Moral and Christian education is introduced through lessons, talks, morning prayers and weekly assemblies, religious programmes, and various award schemes which are designed for students' spiritual growth and well-being.

SPCC offers the curricula of the local Diploma of Secondary Education (DSE) and the International Baccalaureate Diploma Programme (IBDP) in parallel. We believe the provision of the dual curricula enables us to better cater to our diverse student body, which encompasses a broad array of talents and interests and different learning styles.

The IBDP curriculum comprises a suite of six groups with equal focus on both the humanities and the sciences. Students must select one subject from each of these six groups – two languages (one from Group 1 and one from Group 2), a humanities subject from Group 3, a science subject from Group 4, a Mathematics option from Group 5 and an arts subject from Group 6. Students may choose their sixth subject from among those offered from Group 1 to Group 4 in lieu of Group 6.

Students also have to complete three components which are central to the IBDP – Theory of Knowledge (TOK), Creativity, Activity and Service (CAS) and Extended Essay (EE).

國際文憑課程

配合學生不同學習志向，本校開設香港中學文憑(DSE)及國際文憑(IBDP)雙軌課程，以供學生自由選擇。雙軌課程設計靈活多元，迎合學生不同學習志向及需要，讓他們發揮潛能，盡展才華。

國際文憑課程由6個範疇(Group)組合而成，對人文學科及科學的培訓同樣重視。學生須於6個範疇中各選一科——兩種語文(Group 1 及Group 2 各一)、人文學科(Group 3)、科學(Group 4)、數學(Group 5) 及Group 6 內其中一科。學生可從Group 1 至4 中任選一科以取代Group 6 的科目。

學生須同時完成國際文憑課程的3個核心項目——知識理論(TOK)、創意、行動與服務(CAS)及論文(EE)，以符合修業要求。

Enrichment and Gifted Programmes

Gifted education is integrated into the school curriculum to explore and enhance the potential of students. To ensure that our students are provided with an all-round education, the primary and secondary schools organise a series of enrichment programmes such as instrumental classes, activities days, talks, outings and workshops.

We implement the “One Life, One Sport and One Art” programme for all primary students, while all Forms 1 to 3 secondary students are expected to take up a musical instrument, a sport and a community service activity. Students can choose from a great variety of instrumental classes organised by the school.

For sports, trainings for elite athletes and over ten sports teams are offered in the primary school to cater to different potential and interests. Students can continue to develop their strengths and seek further breakthroughs when they move on to the secondary school. In addition to the track-and-field games in the secondary school, students are introduced to other athletic and interest activities such as golf, sports climbing, lawn bowl and archery. In July and August, the school organises summer sports programmes for students.

Community service helps students develop a sense of individual and social responsibility. Students can participate in different voluntary activities through which a spirit of serving the community is inculcated.

Young talents and high achievers are provided with gifted programmes in their respective specialities.

A tailor-made programme for music talents, Programme for the Musically Gifted, has been designed to offer special mentoring and guidance in developing and realising their potential, engaging them in wide-ranging activities such as chamber music making, visiting professional institutions, meeting composers and artists in workshops and masterclasses.

增潤及資優課程

學校十分注重發掘和提升學生的潛能，資優教育融合在學校課程中。為了確保學生獲得均衡的發展，中小學舉辦了一系列的增潤課程，如樂器班、活動日、講座、戶外活動及各種工作坊。

小學推行「一生一體藝」計劃；中學方面，所有中一至中三學生亦必須學習一種樂器及一類運動，並參與一項社會服務。他們可從學校所提供的多種類型樂器班中，選擇參加他們所適合的。

運動方面，小學依據學生的潛能和興趣，特設精英訓練，各類校隊多達十多隊，希望學生升讀中學後能夠繼續發揮所長、尋求突破。中學方面，除了田徑項目外，學生還可以嘗試其他運動及興趣活動，如高爾夫球、運動攀登、草地滾球及箭藝等。七月至八月期間，學校會為他們安排暑期訓練課程。

社會服務有助提高學生對個人和社會的責任感。透過參與不同的義工活動，他們能培養出服務社會的精神。

對有天份及成績優異的學生，中小學在他們的專長上會提供資優培訓課程。

在音樂上有獨特天份的學生，中小學會為他們度身訂造「音樂優才課程」，以培訓及指導他們發揮潛能，盡展才華。他們有機會參與多種活動，如室樂創作練習、探訪專業機構、與作曲家和音樂藝術家會面及學習等。

Round Square

Round Square is a worldwide network of over 200 innovative schools in 50 countries across five continents that share a holistic philosophy of education. As the first global member school in Hong Kong, SPCC has been taking part actively over the past 10 years in the Round Square community. Our students and staff have opportunities to participate in regional and international conferences, service projects and exchanges with other Round Square schools.

A student committee within the school is tasked with developing and promoting activities that match the six IDEALS of Round Square: Internationalism, Democracy, Environmentalism, Adventure, Leadership and Service. Every year, the committee organises events like the charity Green Fashion Show, the Round Square Day, as well as invites guest speakers to deliver talks and conduct workshops on different social and international issues.

Our overriding goal is to ensure the full and individual development of our student leaders as a whole person and a responsible global citizen through the simultaneous development of academic, physical, cultural and spiritual aspirations.

Round Square

Round Square 是一個全球性的學校網絡，成員包括來自五大洲50個國家超過200所學校，共同分享教育理念。作為香港首間成員學校，本校在過去十年一直致力參與於Round Square 社群的發展。學生及教職員亦有機會參與地區和國際性學術研討會、不同的服務計劃，以及和其他海外Round Square 學校合作的交流活動。

本校同時成立了一個學生委員會，推廣及發展不同活動，以推動 Round Square 所宣揚的六個理念 (IDEALS)：國際意識 (Internationalism)、民主 (Democracy)、環保意識 (Environmentalism)、冒險精神 (Adventure)、領導力 (Leadership) 與服務意識 (Service)。每年委員會都會舉辦各項活動，包括慈善綠色時裝表演、Round Square Day，以及邀請演講嘉賓到訪，舉辦講座和工作坊，探討各項社會及國際議題。

我們的目標是希望本校學生能夠在過程中建立領導才能及成為具責任感的全球公民，致力達致學術、體能、文化及心靈上的全面發展。

International Conferences

Since the first science conference held in Hong Kong in 2006, the annual international conference has become one of the most anticipated events on the school calendar of SPCC. The annual conferences, mostly a joint effort with leading universities and tertiary institutions and given a different theme each year, have provided a platform for students from around the world to learn, share and exchange ideas with one another across the disciplines of science, music, sports and the environment. Over the years, more than 1000 students from different continents – Americas, Asia, Australasia and Europe – have joined SPCC in this international endeavour for an enriching experience and a cultural exchange.

Counselling on Further Studies and Mentor Programme

升學輔導及師友計劃

Counselling on Further Studies

The careers staff of the College play an important role in guiding and supporting students in their future studies to further their educational development, providing individual counselling sessions for graduating students.

On a practical level, the careers staff will assist with providing letters of recommendation and transcripts, supervising entrance examinations, organising workshops and visits from university representatives as well as keeping students informed about relevant events happening in Hong Kong.

On a guidance level, the careers staff will discuss the various options with the students to ensure that they and their families have the information on hand to make the best possible decision in the interests of the students. Students will receive personalised and individual attention, advice and guidance to help them in their transition from secondary school to university.

升學輔導

聖保羅男女中學的升學輔導組積極為學生提供指導及支持，並個別接見準畢業生以提供協助，在學生升學及學業發展方面扮演重要的角色。

升學輔導組為學生印發成績單和撰寫推薦信，安排投考海外大學的入學試，接待大學代表的到訪及舉辦工作坊，並為學生提供其他相關活動的資訊。

此外，在指導的層面，升學輔導組會與同學商討及分析不同的升學選擇，確保同學及其家長有充足資訊，為同學作出一個最適切的選擇。同時升學輔導員亦會就同學的個別情況和升學計劃提供意見及指引，幫助同學適應大學的生活。

Mentor Programme

This is a programme where Form 5 students are paired with SPCC alumni to develop one-on-one ‘counsellor and friend’ relationships. Through this process, we hope to help students broaden their perspectives, develop their potentials and achieve their academic and career aspirations as they prepare for life beyond St. Paul’s.

Introduced in 2001, the Programme has an annual intake of over 150 Form 5 students as mentees and has built up a resource pool of over 200 alumni mentors whose backgrounds and experiences span a broad range of business, professional, academic and government fields. As an integral part of the Programme, group activities are regularly organised for voluntary participation by the mentees.

師友計劃

參與的中五學生以一對一的形式跟校友配成一組，發展「亦師亦友」的關係。透過這個「師友計劃」，我們希望幫助學生擴闊視野、發展潛能，協助他們達到學術及事業上的目標，為將來升學作好準備。

這計劃於2001年推出，每年有超過150名中五生參與，其校友導師的人數合共超過200名，他們分別來自不同的背景，包括商業、專業，學術及政府等界別。師友計劃會定期安排各項活動，讓學生自由參與。

Admissions and Scholarships

入學申請及獎學金

For over a century, SPCC has been providing quality education for a socially diverse student body. Students are admitted by merit and potential regardless of their family or social backgrounds.

The school is committed to a need-blind admission policy with a quota-free fee remission scheme to ensure that SPCC will not turn into a school only for those who can afford to pay the tuition. In addition to remission of the tuition fee, the school has committed itself to offering financial aid to needy students to ensure adequate support for their school life and learning opportunities at SPCC. More details can be found in the following section.

Admission Schemes for Students with Financial Needs

Both our primary and secondary schools have set aside a number of places for students with financial needs to apply for admission through the Kindergarten / School Nomination Scheme (please refer to the relevant Notes to Applicants posted on the school’s webpage). Successful applicants will enjoy a 100% waiver of the tuition fee as well as a comprehensive range of financial aid and bursary.

Scholarships

A variety of scholarships are available to recognise academic excellence as well as talents in music and sports. Once admitted, all prospective Form 1 students are invited to sit a scholarship examination. Outstanding students will be awarded scholarships.

秉承百年傳統，聖保羅男女中學一直以培育良才為己任，致力為不同社群及背景的學生提供優質教育。取錄按學生的資質及學習潛能而定，從不取決於其家庭背景。

聖保羅一直堅守「唯才是教」的收生政策，並提供不設名額上限的學費減免計劃，照顧不同背景學生的需要，確保具潛質的學生不會因經濟因素而影響就學。除學費減免外，聖保羅承諾為有經濟需要的學生提供全方位的支援及適切完善的財政資助，確保他們的校園生活及學習機會同樣多姿多彩，詳情可參閱下文。

Fee Remission and Financial Aid

學費減免及其他財政資助

Tuition Fees

Tuition fee for 2020/21 school year is HK\$63,000 for primary school classes, HK\$64,500 for secondary school classes, and HK\$96,500 for International Baccalaureate Diploma Programme (IBDP) classes.

Fee Remission Scheme

We are determined that no qualified students should be deprived of the opportunity to study at SPCC due to financial hardship. Our Fee Remission Scheme is quota free and among the most generous in town.

A child from a family of four whose disposable income (after deducting the home rental or mortgage repayment, etc) is not higher than the Benchmark Disposable Income, which is set at \$348,000, will qualify for a 100% fee remission. Families with a disposable income between \$348,001 and \$812,000 will also enjoy a fee remission of 20% to 80%.

To estimate how much fee remission you might receive if admitted to the school, please make use of the “Calculator” on our website.

Application for fee remission is simple and straight forward. The Application Form and Brochure can be downloaded from the school website; printed copies are also available for collection at the school.

Students are also eligible to apply for the Textbook Assistance Scheme and Travel Subsidy Scheme operated by the Student Financial Assistance Agency (SFAA) of the HKSAR Government. As our Fee Remission Scheme is among the most generous of its kind, families receiving the Comprehensive Social Security Assistance and those SFAA recipients are generally qualified for fee remission.

SPCC Family 聖保羅架構

Parent-Teacher Associations (PTAs)

We believe that while teachers are the main academic educators, a complete education requires significant contribution from the parents. We therefore strongly encourage parents to participate in their child's education, welcome their suggestions and encourage them to join the Parent-Teacher Associations.

The PTAs of the Primary School and the College are actively involved in school activities. Further studies talks, family picnics, seminars and workshops are held regularly to keep parents abreast of the progress of their children and provide them with useful tips on how to educate and communicate with them. A joint-PTA education talk is held every year in May to strengthen the connection between the PTAs of the Primary School and the College. Parents contribute by offering their valuable time to assist in lunch supervision, educational outings, library work, professional talks, Outward Bound courses and photography at school functions.

家長教師會

我們相信成功的全人教育除依賴老師在學業上對學生悉心的教導外，家長的支持亦是不可或缺。因此，我們十分鼓勵家長參與子女的教育，歡迎各位家長提供意見，亦盼望他們參加家長教師會。

中小學家教會定期舉辦升學講座、親子旅行、家長研討會及工作坊，幫助家長掌握子女的學習進度、如何有效教導子女及與子女溝通。每年五月更聯合舉辦教育講座，以促進中小學家教會的交流。中小學各家長教師會成立以來，幹事們均積極參與校內活動。不少熱心家長協助學校安排午膳、外展課程及校外體驗、參與圖書管理、主持專業講座及負責活動拍攝工作等。

Alumni Association

All of our past students are encouraged to join the Alumni Association to foster a lifelong intellectual and spiritual connection with our College and our fellow graduates. Globally, there are sizeable groups of alumni in many major cities around the world, meeting regularly to strengthen and renew their ties. Since its foundation in 1921, the Association has boasted a membership of over 8,000.

In addition to promoting fellowship among the members, the Alumni Association has contributed significantly to the development of the College in the areas of financial contribution, student support and enhancing the image of SPCC in the community at large. The members take great pride in ensuring that future generations of St. Paul's Co-educational College alumni continue to play a significant role in supporting the School and the community.

校友會

我們鼓勵畢業同學加入校友會，與母校及其他校友建立密切的聯繫，定期進行學術交流並保持長久的友誼。我們的校友組織遍佈全球多個主要城市，各地校友定期舉行聯誼聚會，互相瞭解近況，加強連繫。自1921年創立至今，校友會之會員數目已逾8,000人。

除了努力促進彼此間的友誼，校友會亦於不同範疇落力支持學校發展，不單提供財政資助及學生支援，更在社區層面上提升學校形象。聖保羅男女中學的校友致力確保每一位學弟學妹，在未來都得以在學校及社區中繼續扮演重要角色，而這一直是本校校友引以為傲的目標。
